

Upcoming Advocacy Training:

Kirkwood Branch Library

Saturday September 21st

4:00pm – 5:30pm

Georgians for a Healthy Future is an Atlanta based consumer advocacy organization. Our mission is to build and mobilize a unified voice, vision, and leadership to achieve a healthy future for all Georgians. Our vision is of a day in which all Georgians have access to the quality, affordable health care they need to live healthy lives and contribute to the health of their communities.

In an effort to inform community members, we offer an advocacy training to educate attendees about resources to advocate for their health.

This 90 minute presentation includes information on:

- Pathways to healthcare coverage
- Importance of healthcare coverage
- Overview of the Medicaid program
- The coverage gap
- Who Medicaid protects
- Economic benefits of Medicaid
- Medicaid advocacy
- Future directions for Medicaid
